Equity Vision

We, the Emerson community, commit to valuing, including, and engaging all students, staff, and families. We commit to supporting all students' pursuit of dreams, development of full potential, and growth as citizens of our community and the world.

Strengths

Highly dedicated staff provides a learning environment that supports academic and social-emotional success. Students are encouraged to set goals, maintain a "growth mindset", monitor their progress, build on strengths, and learn from challenges. Students engaged in a variety of academic, social emotional, and fine arts activities and learning. Community partners and volunteers support and strengthen the school's programs.

Progress

Teacher teams met consistently to focus on reading, examining student data, and planning lessons. We saw significant improvement in academic achievement K-5.

Area for Growth

Continue to build on previous years' momentum, delve into culturally responsive practices, strengthen our collaborative practices and consistency in designing, delivering and assessing instruction.

Vision Connection

Our school supports MMSD's vision that all students acquire the skills and abilities needed to be successful, including a mastery of content areas, growth mindset, self-knowledge, creativity, wellness, interpersonal skills, confidence, cultural competence, and community connection. Through these skills and abilities, our students will graduate college, career, and community ready.
